Digital Asset Manager September 2008 - Present	Senior Photographer May 2007 – September 2008	Photographer August 2005 – May 2007
--	---	---

- Manage the photo department's ever-growing photographic catalogs to maintain an accurate historical collection of photographs for the university.
- Designed a new systematic non-destructive imaging workflow that included standards for file naming, storage and appending XMP metadata to digital files for archiving.
- Created custom XMP metadata fields to track production workflow status and store client, billing and usage information pertinent to the university.
- Provide award winning photography that creatively captures life at the university to meet the needs for university marketing and news.

■ **Summerfest**, Milwaukee World Festivals, Milwaukee, Wisconsin

Sign Shop Artist
2004 – 2007 (Summer Months / April - September)

- Photograph event festivities and main act performances by celebrity musicians.
- Work with graphic arts in the production and installation of signage.

■ **Chris Bluhm Photography**, Milwaukee, Wisconsin

Photographer / Assistant
2004 – 2007

- Arrange and set up strobe lighting for wedding, portrait, athletic and lifestyle imagery.
